Dear Simon Wright,

Please find attached your assessment report for any question or suggestions. The invoice and web listing should follow.

Just a heads up that this AQ service is under review for major change pending discussion with MPI. I do not know more than that including timing - but it may use direct access through to MPI and possibly static AQ website for 5 years (?). Thanks for this.

#### Say No 19 Non-Alcohol Hand Sanitiser & Wipes

- Product description: hand treatment sanitiser, QAC / polymer
- Product use: hands in food areas
- Status: passed new AsureQuality factory assessment. Similar to H4408. Cost 1:40 hours \$283.32 + GST.

**"Passed AsureQuality assessment for food/ beverage/ dairy farm & factory for hands, sanitiser treated, water rinsed, and with incidental food contact" H4600 with conditions.** This assessment was prepared by Global Proficiency Ltd using HACCP principles to determine equivalence with food standards listed below. See <http://assessedproducts.asurequality.com>. This supports food Risk Management Programmes & other endorsements that may apply to this product include MPI regulated farm dairy approval, MPI dairy factory endorsement, MPI regulated non-dairy animal product approvals, EPA HSNO-OSH-environment approval (& previously AQIS).

#### Conditions:

- Used per instructions, legislation, & GMP, for hands, sanitiser treated, water rinsed, and with incidental food contact. Carry-over to food should be minimised to ensure food function or composition are not affected, that residues are within applicable Maximum Residue Limits and that food legislation requirements are met.
- The assessment is subject to notification of change and expires on 22/11/2026. The full report is attached for supplier review and verification.
- The assessment is activated by countersigning & inclusion of assessment precautions / assessment statement / MPI dairy precautions statement & this does not allow use of the word approval or of the AsureQuality logo.
